

Invitation

Memorial Hans Gutmann Tourist Rally Flight 2019

Dear aeronautical friends,

After our 7th “Memorial Hans Gutmann Tourist Rally Flight” in July 2018 with 15 crews coming from Luxembourg, Germany, Poland, Israel, UK, Finland, Turkey, USA, Russia, Belgium, Estonia and Ukraine, our organizational team is planning the 8th edition of this international general aviation event.

This is why we get in touch with you, as we would like to motivate and invite all Aeronautical Federations of General Aviation, IAOPA chapters, aeroclubs and all flying friends to either participate (even partly) or help us with national and local advises on our expected route for this big international organization.

We are seeking your advice on airfields with nice clubs and people, customs and passport control specifics, fuel (AVGAS), local get together parties (BBQ), tourism and sightseeing activities, tips on hotels etc. along our proposed route.

Proposed dates are from 13th till 24nd June 2019. The provisional route for Memorial Hans Gutmann Tourist Rally Flight 2019 will be:

- Starting point: your home base
- Gathering point: Slovenia, Portoroz (LJPZ) or Istanbul (Cengiz Topel)
- Serbia, Nis (LYNI) for refueling
- Turkey, Corlu (LTBU) for customs, Cengiz Topel (LTBQ) and Cappadocia (LTAZ)
- Israel, Haifa (LLHA), Masada (LLMZ) and Eilat (LLET)
- Egypt, Hurghada (HEGN) and Sphinx (HESX)
- Crete, Heraklion (LGIR)
- Montenegro, Podgorica (LYPG)
- Finishing point: Slovenia, Portoroz (LJPZ)

There's an option to join our rally directly in Corlu for those crews who do not want to start in Portoroz.

Total distance: ca. 3200NM. The rally is classified as Category 2 by the FAI-GAC (General Aviation Commission) and is equal to European championship.

Should you have any idea or proposal to help us, or if you are interested in getting more information in order to participate in the rally, please contact us at info@hansgutmannrally.eu or jean.birgen@hansgutmannrally.eu

Have a nice day and thank you in advance for your help and interest.
